

A WORLD LEADER IN FUME EXTRACTION TECHNOLOGY

LED light arm

Last Updated on 27.07.2018

LED light articulated arm for desktop use

BOFA's wide range of volume LEV extraction accessories now includes 2 LED Light 50mm extraction Arms. Available in black or white, these new arms can be mounted into BOFA's unique flip top mount and can easily moved to the best angle for your application. With 8 LED lights at the end of the funnel lighting up your work piece, these new arms allow for a clearer work space and a bright clean light work area.

The black version is made from ESD anti-static plastic primarily for the electronics industry and the white version would look great in any professional beauty salon or nail bar.

Technology

ProTECT service plan

SureCHECK quality standard

Features

High energy efficiency and maintenance-free. Standard

Low energy consumption. Standard

12 Volt DC operation. Standard

Eight powerful LED provide upto 58 lumens. Standard

Long lifetime. Standard

Technical Drawing

- 1. Power cable socket
- 2. 50mm stay put flexible arm
- 3. Round funnel end
- 4. LED lights
